

# HOSPITAL BAG CHECKLIST FOR BABY

Your little bundle of joy is about to enter the world and now you're wondering 'What do I pack in baby's hospital bag?' We've developed the ultimate checklist to help you pack the essentials you'll need for baby, and avoid unnecessary overpacking.

Created by QV mums, this handy guide is here to help keep things simple.

## Clothing

- **Cotton baby growsuits / sleepsuits x 4**
- **Mittens**  
(If your growsuits don't have inbuilt mittens)
- **Cotton singlets x 4**
- **Booties or socks**
- **Baby hat**
- **Baby swaddles x 2**
- **Laundry bag**
- **Going home outfit**
- **Baby blanket**
- **Special toy**
- **Baby car seat**  
Tested and installed prior

## Skincare

- **QV Baby Bath Oil**  
This gentle bath oil is fragrance, colour and common irritant free, is recommended by pediatricians and is perfect for baby's first bath
- **QV Baby Moisturising Cream**  
Moisturising after baby's bath is a wonderful bonding experience
- **Cotton wool balls**
- **Soft cotton face washcloths**
- **Newborn baby nappies**  
Check if your hospital supplies nappies prior
- **QV Baby Barrier Cream**
